Announcement

Welcome to Southern Union State Community College MyBill

To better serve students and families, Southern Union State CC has combined its two online tuition payment websites into one site. All online tuition payments can now be made through Southern Union's MyBill portal, eliminating the need for separate websites for credit card and electronic check (e-check) payments. Please note, this change means an update to the credit card service fee.

Please have your bank account number and routing number ready before initiating an eCheck payment. Once the payment is submitted, it cannot be reversed. Please review the Important Information document linked under Help in the top menu bar.

Save time when paying. Set up a preferred payment profile in the Payment Profile page.

To sign up for direct deposit of your refunds, complete your setup in the Refund Account Setup page.
