DSI Security is one of the country's fastest growing privately owned security companies. What began with a simple vision back in 1969 has turned into a highly successful well-respected leader in contract security.

DSI Security Services offers a wide range of security services and products to our customers. Whether it is providing a team of security officers for your facility, or employing the latest electronic technology, DSI can offer a solution to any problem.

Each of DSI's security officers are thoroughly screened and highly trained. They are well-versed in all aspects of the security needs.
