

Dual Enrollment Scholarship

RULES AND PROCEDURES

The Dual Enrollment Scholarship program is available to eligible high school students who enroll in a college course at Southern Union that awards **both** college credit and high school credit for the same course. This program provides opportunities for students to begin working toward a college degree, while still pursuing a high school diploma.

ELIGIBILITY AND PARTICIPATION REQUIREMENTS

To be eligible for the Dual Enrollment Scholarship program, a student must:

- Meet admissions criteria for dual enrollment for Southern Union
- Be in grade 10, 11, or 12
- Have a minimum cumulative (unweighted) high school GPA of 2.5 on a 4.0 scale. A high school transcript must be submitted for new dual enrolled students.

AWARD AMOUNTS

A student may receive funding for one (1) academic course per semester in the amount of \$500. Students may reapply for one additional semester. A 2.5 GPA in SU courses must be maintained to renew the scholarship. Renewal depends on available funding. Consideration for renewal will not be given to students who have previously withdrawn from Dual Enrollment courses. There is no refund for withdrawal from a course.

LENGTH OF ELIGIBILITY

A student's participation in the Dual Enrollment Scholarship program is limited to the remaining amount of time normally required to complete the high school diploma, from the time of initial participation in the program.
