

2024 NEW STUDENT ORIENTATION

WELCOME

Dear New Bison,

On behalf of the entire Southern Union State Community College family, it is my great pleasure to welcome you to Bison Bound. Today will be a day of firsts for you – first chance to make new friends; first chance to learn all about your college; and the first opportunity to meet the faculty and staff who will help you reach all your goals. No matter which “firsts” occur, just remember that everything you experience today has been developed with you in mind.

The faculty and staff at Southern Union have one goal: to provide our students with an educational environment that provides excellent service and support. That level of dedication to you increases each day you are on campus. We place a premium on all aspects of the student experience. Whether it is the support you receive from our many student services, or the dedication our instructors provide to you, we are committed to our students.

There are many more firsts that await you during your time at Southern Union. Some may be challenging and some may be rewarding, but no matter what they may be, please know you will not be alone. We will be there helping you face the challenging times and celebrate the rewarding times too.

Go Bison!

Todd Shackett

President

DO YOU HAVE QUESTIONS ABOUT YOUR APPLICATION?

Department: Admissions and Records
The Admissions and Records Team processes your application and makes sure you have all the documentation you need to enroll in the College. All records of your enrollment at Southern Union are located in this office.

Locations: Opelika – Administration Building
Wadley – First Floor, Administration Building

Contact Number: 256-395-2211, Ext. 5157, 5155, 5367 and 5364

Contact Email: admissions@suscc.edu

Webpage: www.suscc.edu/admissions/Admissions_info

Admissions can help you:

- Check application status
- Locate your A-Number
- Confirm records have been received (High School Transcripts, College Transcripts, GED, Transient Letter, etc.)
- Request your transcripts

DID YOU KNOW:

You no longer need to submit your ID along with your application.

DO YOU HAVE PROBLEMS WITH YOUR **STUDENT EMAIL** OR **mySUSCC LOGIN?**

Department: Technical Support
If you cannot log in to your student email, MySUSCC portal, or Canvas, you can contact Technical Support. You will need to include your Student ID Number, date of birth, and full official name when sending them an email.

Contact Email: support@suscc.edu

Webpage: www.suscc.edu/programs/technical-support.cms

Technical Support can help you:

- Login to your student email if you are having issues
- Login to MySUSCC if you are having issues
- Login to Canvas if you are having issues

DID YOU KNOW:

Checking your SUSCC email is very important because it is the primary tool of communication at Southern Union. You can forward your SUSCC email to another email, but all communication to you from the college will go to your SUSCC email.

DO YOU NEED TO TAKE THE PLACEMENT TEST (ACCUPLACER)?

Department: Assessment Center
The Assessment Center team is available to help with scheduling the ACCUPLACER placement test. No tests are required for general admission to Southern Union but may be required for placement in college-level courses.

Locations: Opelika – Assessment Center, Room 120, Business Technology Center (BTC)
Valley – Main Office in John R. Carmichael Building
Wadley – Ensminger Room, Ground Floor, Resource Center

Contact Number: 334.745.6437, Ext. 5416

Contact Email: rwhaley@suscc.edu

Webpage: <https://www.suscc.edu/admissions/accuplacer>

The Assessment Center can help you:

- Understand if you are exempt from having to take the ACCUPLACER placement test
- Schedule your ACCUPLACER test

DID YOU KNOW:

First-time students without proof of appropriate ACT, SAT or GED scores, those with scores below the established guidelines, or those without proof of a 2.75 grade point average or higher on their final high school transcript, must make arrangements to take the ACCUPLACER placement examination in writing and mathematics prior to meeting with an advisor to enroll in courses.

DO YOU NEED ACCOMMODATIONS?

Department:	Student Success Center
Locations:	Opelika – Student Success Center, Room 110, Business and Technology Center (BTC) Valley – Main Office in John R. Carmichael Building Wadley – Student Affairs Suite 211, Administration Building

Contact Email:	Opelika Joseph Halsey jhalsey@suscc.edu Valley Robin Brown rbrown@suscc.edu Wadley Tiffanie Character tcharacter@suscc.edu
Webpage:	https://www.suscc.edu/students/success-center-overview

The Student Success Center can help you:

- Determine which accommodations are available to you
- Explain which free services, including tutoring and career exploration, are available to help you maximize your learning and development

DID YOU KNOW:

To receive special accommodations, you must request them by submitting a request form along with any supporting documentation.

DO YOU NEED TO MEET WITH AN ADVISOR?

Department: Advising
The Advising Team is ready to help you determine your program of study, map out your degree plan, and assist you in registering for classes.

Locations: Opelika – Administration Building
Valley - Main Office in John R. Carmichael Building
Wadley – Student Affairs Suite 211, Administration Building

Contact Number: 334.745.6437, Ext. 5404

Contact Email: suadvising@suscc.edu

Webpage: <https://www.suscc.edu/students/academicadvising>

Advising can help you:

- Determine which classes you need to take for your degree
- Understand the different options available to you for degrees and programs
- Answer questions about the registration process
- Complete a Degree Application when you are ready to graduate

Financial Aid can help you:

- Check your eligibility status
- Learn the status of your aid
- Confirm if your financial aid amount is correct
- Determine if any verification documentation is needed for your award
- Provide information about scholarships
- Complete your FAFSA now for the academic year at www.studentaid.gov (school code - 001040)

DID YOU KNOW:

You must register for ALL credit hours you plan to attend for the ENTIRE semester prior to the end of drop and add for the full term if you receive federal financial aid (Pell Grant or Direct Student Loans).

Which means, if you plan to take a Mini-Term 2 class later in the semester, you must register by the end of drop and add for the full semester in order for your financial aid to cover it. Adding a mini term or 7-week class later in the semester will not activate your financial aid for coverage for the new class added. You would be responsible for the payment of tuition and fees if you register later.

We recommend you register for all of the classes (full term, Mini-Term 1 and Mini-Term 2, or even 7-week classes) at the beginning of the semester so your financial aid can activate based on your full course load. If you are only registering for a mini-term course, you can register at any time during the allowable registration period to activate coverage with your financial aid.

DO YOU KNOW HOW TO USE CANVAS?

Department:

Instruction

Canvas is a learning management system to deliver online content. All courses, no matter whether they meet on campus or not, have a corresponding Canvas course that includes the course syllabus, instructor contact information, and grades. Traditional (face-to-face) courses will have a Canvas course with a syllabus and other pertinent information. Online classes will be accessed entirely through Canvas. Hybrid courses will be accessed through Canvas plus on-campus meetings will be required.

Location:

Distance Education Office, Business and Technology Center

Contact Email:

General Questions: dgreene@suscc.edu, nbramlett@suscc.edu, bbarks@suscc.edu

Support email for problems accessing Canvas: support@suscc.edu

Webpages:

Homepage: alabama.instructure.com

How to log in to Canvas: www.suscc.edu/programs/technical-support.cms

Additional information: www.suscc.edu/programs/what-is-online-course.cms

DID YOU KNOW:

You can log in to Canvas within seven (7) days of the beginning of the semester. All classes for which you have registered should be listed under the Courses button. You may not be able to access the class until the instructor has published the course. All instructors should publish their Canvas course by the official first day of class.

Students who register for online and hybrid classes are required to have access to a computer with a webcam and microphone. Some assignments and testing may not be completed on a mobile device.

Students who register for online classes are charged a \$20 proctoring fee that is due at the time of tuition payment.

An attendance verification assignment is required for ALL online classes and some hybrid classes within one week of the first day of class. Students who do not complete the attendance assignment will be dropped from the class.

If you are dropped for non-attendance or non-payment of tuition and fees, your Canvas class will disappear from your account. You should check your schedule in mySUSCC to be sure you are still registered. If you have been dropped, you should contact the Admissions Office for assistance.

DO YOU KNOW ABOUT THE THREE DIVISIONS AT SU?

ACADEMIC

You can earn an Associate in Science degree with just 60 credit hours, in-person or online. Those students who wish to transfer to a four-year college or university can complete their first two years of coursework at SU and continue with courses in their major at the college or university of their choice.

Courses leading to an associate degree are designed to prepare students to transfer to a four-year university to pursue a bachelor's degree. SU offers courses in virtually every major available at Alabama's four-year institutions, and articulation agreements are in place with many schools to ensure that the transition is easy. Students should discuss their plans with their academic advisor to receive a transfer guide and ensure an easy transition to their next destination.

Online Learning

Southern Union is proud to offer a variety of online courses. Our courses teach the same objectives and outcomes as courses offered on campus. The difference is delivery method and convenience. Some classes do require on-campus meetings.

Concurrent Enrollment

Concurrent enrollment provides students with the opportunity to simultaneously attend Southern Union and a 4-year institution, working toward their Associate in Science degree and their bachelor's degree at the same time. This offering allows students to achieve their educational goals more quickly and cost-effectively.

HEALTH SCIENCES

Southern Union's Health Sciences Division offers both Associate in Applied Science degrees and certificates. Our students get hands-on instruction in the demanding but rewarding careers in the health sciences disciplines. Get started in one of the following programs today:

- EMT and Advanced EMT
- Health and Wellness
- Medical Assistant Technology
- Nursing: Registered Nursing (RN) and Practical Nursing (LPN)
- Nursing Assistant
- Paramedic
- Physical Therapist Assistant
- Radiologic Technology
- Surgical Technology
- Therapeutic Massage
- Veterinary Technology

TECHNICAL EDUCATION/ WORKFORCE DEVELOPMENT

In the Technical Division, students can earn an associate degree in a rewarding high-wage, high-demand career field. Short and long term certificate programs are another option to help pursue your career dreams. Workforce Development offers short-term training courses to help get you on the fast-track to entering the workforce or increase your current skill level. Training opportunities are available on our Valley and Opelika campuses. Our Center for Integrated Manufacturing allows students to work together in a manufacturing setting to better prepare them for the workforce. Programs of study include:

- Advanced Manufacturing
- Machine Shop Technology
- Mechatronics
- Plastics Engineering Technology
- Welding Technology
- Automotive Service Technology
- Engineering and Design
- Cosmetology
- Air Conditioning and Refrigeration
- Industrial Electricity

DID YOU KNOW:

You can work towards your associate's degree and bachelor's degree simultaneously in Academic and Health Sciences through our partnerships with Alabama's top universities. Or earn a salary with local industry partners and take courses at SU at the same time in our Technical Division.
