

College Bowl

The College Bowl Team is a group organized for the promotion of academic excellence and general knowledge. This group competes in state wide competitions with teams from other two-year colleges and assists with the organization and promotion of high school scholars teams. Admission to the group is by faculty selection based on grade point average and/or via a selection quiz administered by the sponsor(s). Students with SUSCC Code of Conduct violations and or charged and/or convicted with criminal behavior by local, state, or federal law enforcement may not participate with the team. The College Scholars Bowl Workshop is a course that offers the student preparation, practice, and participation in the College Scholars Bowl Program and competition. Students must have permission of the team sponsor in order to enroll in this one-hour course. There is no guarantee that this course will be offered each semester
