	AU Course	Course at AU - determined by chosen major***	3	V	
		Semester Total	16		
Please see details below about options for transferring to Auburn University****					

2025-2026 Catalog

*The percentages of AU majors that require these courses are indicated.

**Students must earn a C or higher in EXPL 1010, have no outstanding holds on their AU account, and plan to pursue a P2P-supported major to continue concurrent enrollment in P2P after the initial Exploratory semester.

***Courses taken after the initial Exploratory semester should be based on applicability to the AU major and are determined by the AU Pathway and Transfer Center.

****Students who choose a scaffolded program (such as Professional Flight or Civil Engineering) are not able to get on-track with their AU major in Path to the Plains. After the initial Exploratory semester, they may choose to continue taking core classes at Southern Union State Community College (outside of P2P) and transfer to AU when they are ready to begin their four-year degree coursework.
