### Path to the Plains (P2P) Student Contract

#### Path to the Plains ROTC Student Contract

As a student in P2P, you assume an obligation to conduct yourself in a manner compatible with the expectations of the educational institutions, Southern Union State Community College (SUSCC) and Auburn University (AU). In addition to following all policies of both institutions, P2P students are expected to understand and agree to the following:

1. I understand that participation in ROTC at Auburn University through Path to the Plains does not require the in-state residency requirement. I understand that participation in this program does not indicate in any way whether I will pay in-state or out-of-state tuition to Auburn University when I transfer to Auburn following Path to the Plains.
2. I agree to follow the prescribed curriculum model for the designated program to which I have been accepted and, therefore, will attain an Associate in Science degree at SUSCC and a Bachelor's degree at AU.
3. I agree that I will register for classes at SUSCC on the first day registration is open to me.
4. I understand that a student who fails to register for classes and therefore does not secure seats in the required classes is in danger of being dismissed from P2P.
5. I understand that the concurrent enrollment representative from AU will enroll me in the AU classes.
6. I agree I will enroll in classes according to the prescribed curriculum model for the designated program in which I have been accepted.
7. I acknowledge that SUSCC and AU will exchange personally identifiable information from my educational record for purposes related to my enrollment or transfer.
8. I understand that P2P is designed for students to attend on-campus classes concurrently at SUSCC and AU. Online classes, on occasion, will be approved in extenuating circumstances.
9. I agree that I must be in good academic standing both at SUSCC and AU. A student who is not in good academic standing is in danger of being dismissed from P2P.
10. I agree that participation in P2P requires holds to be resolved promptly. A student who does not resolve holds by the deadline is in danger of being dismissed from P2P.
11. I agree to seek support from a variety of resources, including the tutors in the SUSCC Success Center, SUSCC and AU instructors, and services of the AU Office of Academic Support. These resources are available to P2P students free of charge.
12. I understand that it is my responsibility to seek help when I need it.
13. I agree to inform the P2P advisor(s) of any issues related to concurrent enrollment or class performance promptly.
14. I agree to attain permission from the P2P advisor(s) before altering my schedule or dropping a class.
15. I agree to meet with my P2P advisor(s) at SUSCC at least once, by mid-term, each semester during the concurrent enrollment period.
16. I agree to check college email accounts routinely and respond promptly.
17. I understand that during P2P concurrent enrollment, tuition for AU courses will be billed at the SUSCC tuition rate per credit hour.
18. I understand that I must pay SUSCC all tuition payments for both SUSCC and AU courses.
19. I understand that SUSCC scholarships do not pay for AU courses.
20. I understand that I will apply independently to transfer to Auburn University.

Upon acceptance to AU as a full-time student, I understand that a maximum of 60-64 semester credit hours (dependent on major) may be degree applicable at AU.
