

SOUTHERN UNION ***STATE COMMUNITY COLLEGE***

Dear Theatre Scholarship Applicant:

Thanks for your interest in Southern Union State Community College's Theatre Program. Our auditions will be held on Monday, March 6, and Tuesday, March 7, 2023, in the Brazeal Auditorium on our Wadley Campus. Each student should be prepared to present a two-minute memorized monologue. Below are some guidelines for doing well during your audition:

- Choose and memorize a monologue from a **published play** (approximately two minutes in length).
- Do not use accents, dialects, or stylized characters.
- Applicants must be able to discuss the monologue and answer simple questions concerning their chosen character. (It helps greatly to read the play!)
- Applicants should be prepared for a short interview following the audition.
- It is strongly advised that a prospective student choose a monologue within their age and experience range.
- Students who wish to be considered for management or design positions should come to the audition with a portfolio (sketches, paintings, models, theatrical programs that confirm management experience) that best represents their work.

After you present your monologue, we will discuss your interest in theatre and I will answer any questions you may have concerning the program. The Southern Union Theatre Department is looking for students that are hard-working and enthusiastic about performance. Our program has been very successful in preparing and guiding our students into both public and private four-year college and university theatre programs.

Southern Union has state-of-the-art facilities, a supportive administration, a beautiful campus, and qualified faculty. We desire students who have theatrical aspirations to join us in our pursuit of creating live theatre. Our program combines rigorous training in the classroom with hands-on experience with production in an effort to prepare students for their continued academic training, for the profession, and for the art.
