Eligibility for in-state tuition is determined in one of three ways: legal residency, substantial connections, or non-resident request. Please provide information below in ONE category that qualifies you for in-state tuition.

LEGAL RESIDENT OF ALABAMA

Basis for Determination of Legal Residency

Are you a U.S. citizen? Yes No

- I (or my non-estranged spouse) have lived in the State of Alabama for at least 12 months immediately preceding my application for admission and plan to remain living in the State of Alabama.
 I am a minor and my parent(s)/legal guardian(s) has lived in the State of Alabama for at least 12 months immediately preceding my application for admission and plan to remain living in the State of Alabama.
 I graduated from an Alabama High School or obtained a GED in the State of Alabama within three years of the date of my application for admission.

SUBSTANTIAL CONNECTIONS

I am applying for in-state tuition status based on the fact that I have more substantial connections with the State of Alabama than with any other state. Check all that apply and provide documentation for at least 3 items:

- I attended/graduated from an Alabama high school within the last three years. (STOP you do not have to submit this form!)
 I or my spouse/parents have paid Alabama state income taxes as a resident.
 I or my spouse/parents own a residence or other real estate in Alabama and have paid ad valorem taxes in the state on the residence or property.
 I or my supporting person (spouse/parent) can verify full-time permanent employment within 90 days of registration.
 I have previous periods of residency in the state continuing for one year or more.
 I am a registered voter and have voted in Alabama one year preceding my application for admission.
 I possess a state or local license(s) to do business or practice a profession in Alabama.
 I own personal property in Alabama, paid Alabama taxes on the property, and possess Alabama license plates.
 I have maintained continuous physical presence in Alabama for a purpose other than attending school (excluding temporary absences for travel, military services, and temporary employment).
 I have maintained checking accounts, savings accounts, safe deposit boxes, or investment accounts in Alabama.

NON-RESIDENT REQUEST FOR IN-STATE TUITION

I am applying for consideration of in-state tuition status for the following reason:

- I or my supporting person (spouse/parent) is a member of the United States Military on full-time active duty stationed in Alabama under orders for duties other than attending school.

I understand that I may be asked to provide additional documentation for items that I have checked. I agree to notify the college if there are any changes in the information submitted within this form. I understand that an out-of-state student cannot attain residency simply by attending school for 12 continuous months in the state of Alabama.
